

## ARE YOU READY TO BE A WINNER???

Colorado's moose hunting tags are some of the most coveted—and difficult to draw—licenses Colorado offers. But we're giving one away to one lucky winner.

For just \$25, you have good chance to have a crack at a possible world record moose (the current SCI number one recently came from Colorado).

The Colorado Chapter of Safari Club International's moose license raffle benefits the Colorado Division of Wildlife, with 90% of the proceeds benefiting the DOW's moose management projects. The license is good for any legal area and season in Colorado in 2009. You can buy up to 25 tickets.

Also, consider coming to our annual banquet, March 14, 2009 at the Crowne Plaza Hotel, I-25 and South Circle in Colorado Springs. Auctions, drawings, games, good food and fun! Drawing for the moose license will be that night.

It helps us if you include return mailing labels with your check so we can stick them on your ticket stubs. Many organizations send them to you in the mail, and this is a great way to use them and it makes it easier for us when filling out multiple tickets. This license is not transferable and can not be sold. Winners will be posted on our website.

# Put Yourself In These Pictures As A Winner Of The Colorado Moose Tag Raffle!

Colorado Shiras moose are BIG! Just ask Scott Wilson who harvested this monster with his bow or Barbara Leerberg who took an SCI Silver Shiras. Now it is your turn! For just \$25 you get a real crack at a possible record moose in Colorado.

The Colorado Chapter of SCI is once again offering a 2009 Shiras license through a one-of-a kind raffle, to be held **March 14, 2009** at our annual banquet at the Crowne Plaza, I-25 and South Circle in Colorado Springs.

You need not be present to win. If you are the lucky winner, we can put you in touch with several outfitters if you wish.

Seventy-five percent of the proceeds go to the Colorado DOW for their Moose Management Project. The funds that have been raised in the last few years funded the new moose transplant on the Flat Tops in 2009 with moose purchased from Utah and there are over 20 moose there now. Thanks to you and your purchase of raffle tickets the Colorado Moose population is continuing to grow and stay healthy!

Since the Colorado Chapter of SCI is a small chapter, your chances of winning are much higher than many other raffles. Buy several tickets and increase your odds of winning the statewide moose tag and help the moose population at the same time!

How to enter: Simply fill out the coupon indicating how many tickets you want to buy and return it with a self-addressed, stamped envelope. We will mail you the ticket stubs as soon as we receive your entry. Don't forget to add first class postage for the return of your ticket stubs. We can not accept credit cards for raffle tickets due to a Colorado law forbidding purchase of raffles with credit cards, sorry!

We have two guns that we are also raffling. A 12 gauge Over and Under Franchi Shotgun and a Remington .300 Ultra Mag. These great guns can be yours for only a \$10 ticket...buy a few and increase your chances of owning both!
