

ARE YOU READY TO BE A WINNER???

Colorado's Mule Deer tags are some of the most coveted and difficult to draw licenses that Colorado offers, but we're giving one away to one lucky winner, and it could be you!

For just \$25, you have a good chance to have a crack at a possible world record deer and you can hunt anywhere in the state from September 1st—December 31st.

The Colorado Chapter of Safari Club International's statewide deer raffle license benefits the Colorado Division of Wildlife, with the money raised going to projects that benefit deer around the state. The license is good for any legal area and season in Colorado in 2010. You can buy up to 25 tickets.

Drawing will be held on July 15, 2010 in Colorado Springs at the Colorado Chapter of SCI board meeting. Winners will be posted on the chapter website that night.

The Chance of a

You have a shot at a

Colorado Deer!!

Your odds of winning are excellent.
But only if you get your raffle tickets!

Can you imagine hunting trophy deer anywhere in Colorado??

The Colorado Chapter of SCI has been given the opportunity to sell raffle tickets for the statewide deer license. In short, if you are the lucky winner of this tag you can hunt anywhere you want in Colorado from the first of September until the end of December for the biggest deer you can find. There are some exceptions on where you can hunt, but with permission you can basically hunt anywhere for four months using any method you want to!!

Tickets are only \$25 each...but you can get 5 tickets for \$100 or even better yet get 25 tickets for \$450!!

The money raised from the sale of the statewide tag will go specifically towards projects that will increase deer numbers and manage the animals for health and trophy quality. The Colorado Division of Wildlife currently has many different habitat projects that need funding, and this is a great way for you to help and also have the chance to win the license of a lifetime!

The Colorado Chapter of SCI has been working with the DOW for many years by selling the raffle tickets for the coveted Shiras Moose license as well, and because of our commitment to conservation and hunters rights, the Colorado Division of Wildlife has awarded this chapter the opportunity to help them with finding the winner of the license...just by selling some raffle tickets.

How to enter: Simply fill out the coupon indicating how many tickets you want to buy and return it with a self-addressed stamped envelope. We will mail you the ticket stubs as soon as we receive your entry. Don't forget to add first class postage for the return of your ticket stubs. We can not accept credit cards for raffle tickets due to a Colorado law forbidding purchase of raffles with credit cards, sorry!

When you are filling out the coupon, take an opportunity to enter the drawing for a special guided deer hunt with Doyle Worthington of J&D Outfitters near Montrose, Colorado for 2011 (719-661-3709) and an AWE-SOME Rock River Arms .223 rifle for plinkin' or predators... buy a few and increase your chances of owning both!

Entries must be postmarked by July 9, 2010!

It helps us if you include return mailing labels with your check so we can stick them on your ticket stubs. Many organizations send them to you in the mail, and this is a great way to use them and it makes it easier for us when filling out multiple tickets. This license is not transferable and can not be sold.

This is also considered an additional license.

If you win you can actually hunt two deer in one year!
